Welcome to Garran Hill, a custom home that rises with distinction atop storied land in the Hollycrest community of Pinehurst, North Carolina. Once home to flourishing peach orchards and sprawling farmland, this hill has long been a draw for dignitaries, golf legends, and those who appreciate the elegance of Southern heritage. In designing Garran Hill, Homes by Dickerson sought to honor that legacy, merging timeless tradition with refined modern living. From the moment you step inside, you'll notice curated details like a hidden door leading to a gun room and a bespoke bar off the upstairs rec room, offering both surprise and sophistication in one unforgettable space.

Step outside, and the commitment to elevated living continues- an outdoor kitchen, fireplace, heated porch, and resort-style pool create a seamless blend of luxury and lifestyle.
